Topaz SYSTEMS INC.

ClipGem
T-C912/T-C916

The Topaz® ClipGem® is a letter-sized or legal-sized electronic signature capture clipboard for use wherever one party desires a paper copy or receipt in addition to an electronic copy.

Featuring a thin, lightweight footprint and rugged signing area, it is a great choice for use in the field, as it is powered only by your computer's data port.

The digitizing pen and optional ink tip allow for both signed paper records and digitally signed documents.

The ClipGem shows the signature on the computer screen only.

BENEFITS

✓ Rugged signing area for **long life**

✓ Thin size and lightweight clipboard for **portability**

✓ Optional inking pen tip for **customization**

✓ High-quality **biometric and forensic** capture

✓ Topaz software suite bundled at **no additional cost** for complete signing and signature solution customization techniques
